Are you looking for a way to start your day with the Word of God? LHM Daily Devotions might be what you're looking for. When you subscribe to these devotions, you can be in God's Word wherever you are. Read while drinking your morning coffee, listen to it as a podcast on your commute, or share with your family around the dinner table. The devotions continue to provide encouragement and spiritual nourishment to many and are growing in popularity. We pray that if you are looking for a way to grow in your faith, especially with a busy schedule, you explore LHM Daily Devotions. You can even share these devotions with friends and family who need some encouragement. Daily Devotions are available in a variety of ways and can be read or listened to anywhere. In addition to being online at lhm.org/dailydevotions, they can be delivered right to your inbox, accessed on our mobile app, or listened to as a podcast through Spotify, iHeartRadio, or Alexa. While these faith-sharing resources are completely free, LHM wants to expand the reach of these devotions so that more people will hear the Gospel of Jesus Christ. Will you support us in reaching that goal and getting the Gospel message out there? As part of this effort to reach more people with the Good News, we have a challenge matching grant that will provide \$50,000 if generous LHM donors like you raise \$100,000. That means \$150,000 will be allocated towards getting these daily messages in front of new audiences. Please prayerfully consider joining Lutheran Hour Ministries in expanding the reach of the Gospel message through Daily Devotions. To support this challenge grant opportunity, visit lhm.org/devotionmatch
